Jan Nayak Ch. Devi Lal Memorial College of Engineering

About The Institute:

Jan Nayak Chaudhary Devi Lal Memorial College of Engineering, an AICTE approved institution affiliated to Chaudhary Devi Lal University, Sirsa, is an ISO 9001: 2008 certified Institute established in the Year-2003. JCDM College of Engineering is a top-level institution from Haryana & one of the prime institutes of the prestigious Jan Nayak Chaudhary Devi Lal Vidyapeeth. Located in sprawling serene campus of JCDV, it offers a highly conducive environment for teaching-learning process. Horticulture extravaganzas, picturesque landscaping, manicured hedges all speak volumes about the eco-friendly scenic beauty of the campus.

The institute offers four year B.Tech programme in Civil Engineering, Mechanical Engineering, Electrical Engineering, Artificial Intelligence & Machine Learning, and Computer Science & Engineering along with two year M.Tech programme in Civil Engineering, Mechanical Engineering, Electrical Engineering, Electronics & Communication Engineering, and Computer Science & Engineering.

The institute aims to impart quality technical education. This is the only institute who is following Outcome Based Education in this region meeting all norms as per Washington-Accord in which India is one of the signatories.

We ensure a learning environment which allows the students to develop creativity, work ethics and leadership skills that are essential for future success. It is emerging rapidly as a Center of Excellence in learning & innovation, driven by social sensitivity and State-of-Art Technology. It also maintains close links with leading companies and professional associations for stronger Industry-Academia Interface.

At the JCDM College of Engineering, students are receiving a quality education and improving their employability at Global level. We have excellent placement in MNC and in other Companies.
