W.e.f. 2020-21
UNIVERSAL HUMAN VALUES AND HOLISTIC EDUCATION
FOR HEALTH, HAPPINESS AND HARMONY

and Objectives of the Course:

The goal of this programme is to bring social transformation through qualitative (Spiritual) transformation at the individual level. The course aims at development of the students' personality through instillation of human values, development of an understanding of self and self-awareness, and cultivation of an attitude of caring for others as they care for themselves.

The Learning Outcome:

1. To understand the nature of universal human values from both Indian and Western perspectives
2. To understand the self and personality in psycho-philosophical perspectives.
3. To understand essentials of democratic values and democratic living, with special reference to value enshrined in Indian Constitution.
4. To understand the essentials of Yoga for Health, Happiness and Harmony.
5. To understand the concept of harmony within individual, humans and society, and cosmic harmony (Hrita).

Transaction of Curriculum:

When transacting the curriculum, special stress should be given to self study (Swadhyaya) with minimum of teacher intervention. The teacher will act as motivator and felicitor and will clarify the different theoretical concepts adopting a practical-oriented approach (practice or experience based). Concepts will be illustrated with instances and examples on the following issues of human life.

1. Human Social Behavior and the Modes of Action as enshrined in *The Gita*
2. Self Exploration and Self-actualization/ Realization.
3. Individualism and Collectivism
4. Case Studies of Self-actualizers
5. Revisiting and Re-envisioning Parables and Myths
6. Stories and anecdotes from the life of Great People and Seers
7. Moral Dilemmas and their Resolution.
8. Understanding Conflict and Crisis and its Management.
9. Understanding Ecology and Nature Study
10. Development of Positive Outlook to Life
11. Leadership and Decision-Making
