

CHAUDHARY DEVI LAL UNIVERSITY, SIRSA
(Established by the State Legislature Act 9 of 2003)

ANNUAL REPORT
2019

It is my privilege to present before you the Annual Report 2019 which is a concise compendium of academic, research, cultural, sports and empowering activities organized in various University Teaching departments and University College during this calendar year. Various events as highlighted in this report bear testimony to the university's strong commitment to impart quality education and promote research in diverse fields such as Humanities and Languages, Science and Technology, Social Sciences, Commerce and Management, Computer Science, Physical Education, Environmental Science, Law etc. The curriculum and pedagogy of different disciplines are continuously updated and fine-tuned to create a new academic ambience that is aligned with the aspirational goals of the 2030 Agenda for Sustainable Development. The newly established depts. of Skt., Hindi and Punjabi not only promote indigenous and regional creative writings but also reconnect us with our rich intellectual heritage. This is perfectly in tune with the recently released NEP 2020 that lays particular emphasis on reclaiming the rich heritage of ancient and eternal Indian knowledge systems. The Indian spiritual legacy enjoys a special place in the global quest for greater well-being, as evidenced by the growing popularity of yoga, meditation, Ayurvedic system of medicine and other Indian cultural practices. The effort is to decolonize Indian mind that must act freely and judiciously, think creatively, and work with the spirit of service, sacrifice and empathy, for the good of the individual, the society, the country and the world. The university organized a State –level Event (6-7 Feb.2019) on “*Samajik Samrasta ke Purodha Saint Kabir Das Ji Ki Vani aur Darshan*” to discuss the contemporary relevance of Kabir's teachings.

One Day Seminar on the UGC's new initiative STRIDE (Scheme for Trans-disciplinary Research for India's Developing Economy) was organized on 2.12.2019 to motivate the researchers for undertaking interdisciplinary research projects that are socially relevant, locally need-based, nationally important and globally significant. Such programmes of significance are routinely organized by different departments during the course of the academic session.

The university is successfully handling the sudden and serious outbreak of global pandemic Covid-19 by conducting online classes using and utilizing to the optimum level, our existing digital resources. The university invested Rs 40 Lacs to update and expand ICT and digital infrastructure(WIFI Network) in the calendar year. In the current situation we are planning to further strengthen and expand the digital resources in the university to meet the emergent requirements in the wake of Covid 19. Sirsa, forming the extreme west corner of Haryana, touches the interstate boundaries on three sides and is connected with its own state only in the eastern side. sustained efforts are made to introduce courses and to promote research according to the demographic variables of the area. The department of Energy and Environmental Science, Food Science and Technology, Physical Education, besides being relevant at national and global levels, also meet the regional aspirations of the stakeholders.

Recently we have introduced a Non-credit Course on “Universal Human Values” in all University teaching departments in order to develop students' personality through instillation of human values and to inculcate among them an attitude of caring for others as they care for themselves. The students are our first priority and we care for every individual student. We have created a robust Students' Grievance Redressal Mechanism to address their legitimate grievances within stipulated time. The students belonging to Socio-economically Disadvantaged Groups (SEDGS) are provided incentives like stipends and scholarship so that they can realize their dreams and contribute meaningfully to India's ascent, progress and leadership on the global level.

Last but not the least, we are indebted to Sh. Satyadev Narayan Arya Hon'ble Governor of Haryana and Chancellor of the University, Sh Manohar Lal Khattar, Hon'ble Chief Minister of Haryana and Sh. Kavar Pal, Hon'ble Education Minister for their generous support and patronage. Through our sustained efforts, we stand committed to create an equitable and inclusive society which takes pride in *Bharat* and its Constitution. Wishing you all a better and successful life.

शिक्षा किसी भी देश की सभ्यता और संस्कृति का अनिवार्य अंग है। शिक्षा से न केवल व्यक्तित्व विकास होता है, वरन् यह सामाजिक व सांस्कृतिक विरासत का संरक्षण भी करती है। नई पीढ़ी अपनी मूल संस्कृति के प्रति आस्था और निष्ठा उसी शिक्षा के माध्यम से रख सकती है जिसका आधार उसकी अपनी संस्कृति हो। मेरे लिए हर्ष व गौरव का विषय है कि मुझे हरियाणा के अंतिम छोर पर बसे सिरसा नगर के चौधरी देवीलाल नामक एक ऐसे विश्वविद्यालय में सेवा करने का अवसर मिला जो भारतीय संस्कृति के मूल तत्वों के संरक्षण हेतु निरंतर प्रयासरत है। इसके साथ साथ यह विश्वविद्यालय विकास के क्षेत्र में वैश्विक स्तर पर शिक्षण, प्रशिक्षण, अनुसंधान, नवाचार, मौलिक विकास और आधारभूत संरचना का उत्कृष्ट केन्द्र बनने की ओर अग्रसर है। विकास की इस गति को प्राप्त करने हेतु विश्वविद्यालय के हितैषियों ने अपेक्षित आकांक्षाओं को पूरा करने के लिए विभिन्न चुनौतियों का सामना किया है।

मुझे चौधरी देवीलाल विश्वविद्यालय की साल 2019-20 की वार्षिक रिपोर्ट प्रस्तुत करते हुए अत्यंत हर्ष का अनुभव हो रहा है क्योंकि यह रिपोर्ट हम सब की सेवाओं, उपलब्धियों व उद्देश्यों का दर्पण है। विश्वविद्यालय के शैक्षिक व सांस्कृतिक लक्ष्यों की पूर्ति हेतु हमने विभिन्न क्षेत्रों में कार्यशालाओं व संगोष्ठियों का आयोजन किया जिस हेतु हमें विभिन्न संस्थाओं का समय समय पर मार्गदर्शन मिलता रहा है। हमारे ऊर्जावान शैक्षिक व गैर शैक्षिक कर्मचारी व अधिकारी नव तकनीकी व रचनात्मक कार्यों के माध्यम से राष्ट्र की भावी पीढ़ी के विकास हेतु पूर्णतया समर्पित है। विद्यार्थी अपने श्रेष्ठ लक्ष्यों की उच्चाईयों को छू सके इस हेतु सम्पूर्ण विश्वविद्यालय परिवार के सदस्य वचनबद्ध व कर्मबद्ध है।

यह वार्षिक रिपोर्ट इस उद्देश्य से प्रस्तुत की जा रही है कि हम सब उन गणमान्य विद्वत्जनों के प्रति कृतज्ञता प्रकट कर सके जिनका इस विश्वविद्यालय की उपलब्धियों में विशेष योगदान रहा है और जिनके कारण इस प्रकार की रिपोर्ट लिखने में हम सक्षम हो पाए हैं।

मैं दिल की गहराईयों से सभी शैक्षिक व गैर शैक्षिक कर्मचारियों व अधिकारियों का आभार व्यक्त करना चाहता हूँ जो इस विश्वविद्यालय को विकास के उच्च आयाम पर गतिमान करने हेतु अपना सहयोग दे रहे हैं। मैं विश्वविद्यालय के उन सभी सदस्यों को भी बधाई देता हूँ जिन्होंने विश्वविद्यालय के शैक्षिक, सांस्कृतिक, सामाजिक व आर्थिक विकास को दर्शाती इस रिपोर्ट को कलमबद्ध किया है।

UNIVERSITY AT A GLANCE

Established on 2nd April, 2003, Chaudhary Devi Lal University, Sirsa is named after Jan Nayak Chaudhary Devi Lal, the former Deputy Prime Minister of India and the former Chief Minister of Haryana. The University has been recognized by the University Grants Commission and declared eligible for Central Assistance under Section 12 (B) of UGC Act vide UGC letter No. F.9-17/2003 (CPP-1) dated 17.02.2009. It is graded 'B' by NAAC and also participated in the second cycle of NIRF.

This University, set up by the Government of Haryana under an Act 9 of 2003 passed by the State Legislature, has a sprawling campus of 213 Acres 4 Kanal 12 Marlas at Barnala Road, Sirsa. The main objective of the University is to facilitate, promote and excel in Higher Education, Research and Consultancy in the contemporary as well as emerging areas of knowledge. The inception of high-tech culture involving computer-based facilities, internet connectivity and modern administrative techniques is one of the integral characteristics of this University. To enhance the standard of higher education and increase the research activities, the University is connected to National Knowledge Network (NKN). This connectivity has been provided through One Gbps (optical fiber) dedicated line under NMEICT project of Ministry of HRD India. Wi-Fi facility has also been provided in the University campus.

There are 24 Teaching Departments offering 61 courses in the University. University College has also been established from the academic session 2018-19. Well-known, reputed and experienced academicians and professionals have been associated in preparing the academic curriculum of different courses. It is important to mention here that special attention has been given to follow the guidelines of the UGC and other Regulatory Bodies in preparing the course curriculum. The university also offers various courses through the University Centre for Distance Learning. The emphasis is to impart quality education by providing congenial and liberal atmosphere in the campus through the promotion of extracurricular activities. Students are encouraged to participate in such activities and events outside the campus to enable them achieve overall growth of their personality.

The University has three Teaching Blocks, Faculty House, Multipurpose Hall, a three-floored wing of the Administrative Block, Vice Chancellor's residence and houses for the teaching and non-teaching staff and five well-furnished hostels for boys and girls. There is a Media Centre equipped with hi-tech gadgets besides well-equipped laboratories and an impressive building housing Vivekanand Library. There is a good stock of books and study material of high standard in the University library. Research journals of National and International repute are being subscribed. Newly constructed houses are being allotted to accommodate maximum number of staff and faculty. The separate building for University Centre for Distance Learning is in pipeline and second phase of administrative block is completed.

The University has ATM facility of Oriental Bank of Commerce. A branch of Oriental Bank of Commerce with ATM facility is also located in the University Shopping Complex, which also houses the University Health Centre. Medical facilities have been made available to the students and staff through a regular Medical Officer and technical health staff.

The University has adopted innovative methods for conducting University examinations, achieving a distinction in timely declaration of results. The students of this university have shown commendable results in academics as well as co-curricular activities. With the present pace of progress already acquired, the university looks forward to having a promising future.

ACADEMIC PROGRAMMES

The University offers the following academic programmes in the area of Technology, Management, Commerce, Law, Journalism and Mass Communication, Humanities, Social Sciences, Science and Education mostly at the Post Graduate level. UNIVERSITY COMPUTER CENTRE

Computer Lab

The fully air conditioned Computer Lab with 24 hours CCTV surveillance has been established on the top floor of Vivekananda Library to facilitate the research scholars, students and the staff members as per their requirement. Presently 75 Computer Systems with the LAN Connectivity are available in the Computer Lab and the students of various UTDs and University College are visiting in the Lab for using Computer Systems. Computer Operators/Officials deputed by the district administration are also using the computer lab with the approval of the Vice-Chancellor. Stenography Test for recruitment purpose is conducted in Computer Lab from time to time. The highlights of Computer Lab, UCC are given below:

- Computers All in One (HP 600 INTEL Core i5) = 34
- No. of Computers having i3 /i5 Processors = 43
- Projector Full HD (Sony-CH375 7400873-F) = 01
- Uninterrupted Power Supply.

University Website (www.cdlu.ac.in)

The University Website (www.cdlu.ac.in) is being maintained and updated efficiently, effectively & promptly by the University Website Office, being very descriptive and useful, the number of global visitors on website is increasing very rapidly. In addition to this, other project like Mobile Application, AEBAS and Digitalization of old records of the University are also dealt by the office.

IT CELL

The IT Cell of Chaudhary Devi Lal University was established on 05.10.2011. The supervision regarding IT related work in the University is carried as under:

1. 24x7 Campus Wide Wi-Fi Facility
2. Wired Network/LAN Implementation under NME-ICT Project
3. NKN Implementation
4. Linux based UTM (Unified Threat Management) & User Management
5. Linux based In-House Mail Server

i) Wireless Network (Wi-Fi)

Campus wide W-LAN/Wi-Fi is presently being maintained by the IT Cell. The complete University campus has been facilitated with 24x7 Wi-Fi services through 479 Wi-Fi points for better connectivity and smooth functioning of Wi-Fi services. Various steps have been taken by IT Cell to strengthen and expand the coverage of wi-fi, which has been proved very useful to cater the need of high speed internet facilities to the whole University.

The main highlights of Wi-Fi services being provided in the campus by the IT Cell are given below:

- ❖ 24x7 full campus wi-fi service in all buildings and residential quarters with individual user account management system.
- ❖ 2 tier user login while connecting with secure wi-fi network connections and thereafter using internet facility in the campus.

- ❖ Unlimited concurrent users can use internet service through Wi-Fi and LAN.
- ❖ Logs and reports maintenance for each & every activity on internet.
- ❖ The process to provide Wi-Fi services in under construction/newly constructed two buildings (Teaching Block No. 4 and Transport Office) has been initiated by the IT Cell and may be completed in the upcoming session 2020-21.

ii) Fiber based Local Area Network (LAN)

Any educational institute looking at high growth and a potential to join big league, can not overlook networking. Sensing out its dire need well in time, the IT Cell has established Campus Wide Local Area Network (LAN). The LAN is based on Optical Fibre and initially 400 nodes have been connected. This is also under the NME-ICT project of MHRD on 75:25 sharing basis.

The main highlights of LAN facilities being provided in the campus by the IT Cell are given below:

- ❖ 400 nodes for internet use (under NME-ICT project of MHRD).
- ❖ Fibre Optic connectivity to every building for high speed network connection.
- ❖ Secure login & user account management system through firewall/UTM.
- ❖ Logs and Reports maintenance for each & every activity on internet.
- ❖ The Fibre Optic connectivity in under construction/newly constructed buildings (Teaching Block No. 4, Department of Law, Transport Office, Information Centre & Guidance Bureau and Girls Hostel No. 3) will be initiated by the IT Cell in the near future.

v) National Knowledge Network (NKN)

To enhance the standard of higher education and increase the research activities the University has connection to National Knowledge Network (NKN). This connectivity has been provided through One Gbps (optical fiber) dedicated line under NMEICT Project of Ministry of HRD, India. The services of NKN are being utilized by the University through IT Cell with coordination of NIC and NKN Teams.

Further, the process for procurement of dedicated 100 Mbps Lease Line (1:1- unshared and uncompressed) for the University is under process.

vi) Linux based UTM (Unified Threat Management)

IT Cell has established Linux based UTM (Unified Threat Management) with the latest features of Firewall protection, load balancing and redundancy, Intrusion Prevention System, Bandwidth Management, Secure VPN, Web filtering, Web application Firewall, Anti-Virus, Anti-Spam, Reporting and Analytics etc. and is being efficiently managed by the IT Cell. The IBM Rack Server is being used to manage the UTM with 24x7x365 uninterrupted power supply and facility of full time air-conditioning.

vii) Linux based In-House Mail Server

The IT Cell has established Linux based Mail Server to provide the in-house mail services to its stakeholders with the University registered domain (example@cdu.ac.in). The IBM Rack Server is being used to manage the UTM with 24x7x365 uninterrupted power supply and facility of full time air-conditioning.

DEAN ACADEMIC AFFAIRS

1. An extension lecture was delivered by Ambassador of Mongolia, Sh. G. Ganbold on the title “Indo-Mongolian Academic and Cultural Interface” on 05.04.2019. The Vice-Chancellor presided over the function.

6.1. Strengthening of Departmental Infrastructure:

6.2. Any other information.

6.3. Future planning: Please state the Academic/Research/Co-curricular and extension activities planned under planning.

(a) 2019-20	<p>The Department of Biotechnology plans to strengthen teaching and research programme through innovative techniques. The faculty members of the department have already been granted R & D Projects from UGC and are planning to submit more research projects to other funding agencies like DST, DBT, CSIR <i>etc.</i> The department is also planning to organize conference/seminars/workshops for teachers and students in the next financial year. Further, the department is also planning to sign Memorandum of Understanding (MOU) with National and International Institutes in the times to come to strengthen its ongoing and future R&D work.</p>
(b) Upto 2022	<ul style="list-style-type: none"> • The department has planned to develop the research facilities in advance areas like, molecular biology, bioprocess engineering, immunology, bioinformatics etc. • The faculty members are in the process of submitting some more Research Projects to National and International Funding Agencies. • The Department is also in the process of collaborating with other Universities, National as well as International Laboratories/ Institutes of repute. • The Department has started the process to get itself funded from the Department of Biotechnology, Govt. of India under the scheme of Human Resource Development Programme. • The project proposals under FIST (DST, Govt. of India) and SAP (UGC) programme will be submitted very shortly. <p>Infrastructure</p> <ul style="list-style-type: none"> • This department has sufficient infrastructure. The proposed furniture in the research and PG labs is of high standard. • The labs will be provided with temperature regulation devices. • To provide highest quality technical education to the students and equipping them with competency in different disciplines of biotechnology. • To undertake research and development activities in frontline areas like microbial biotechnology, bioprocess engineering, genetic engineering, immunology, plant and animal tissue culture, diagnostic kits etc. • Enrichment and enhancement of intellectual knowledge base through organization of seminars, conferences and workshops. • Placement of the students in biotechnology related industries.
